

THE GREAT COUNTRY PAPER OF THE WEST. WEEKLY NEWS

THE GREAT COUNTRY PAPER OF THE WEST.

Is Issued Mondays and Thursdays and Contains All the Cream of the Daily and Saturday News.

LOCAL BRIEFS.

Fort Duchene and Myton are receiving mail six days in the week instead of an two days as heretofore. Mr. and Mrs. J. C. McClain will give a harvest home dinner at their residence this evening in aid of the First Methodist church building fund. M. E. Pack, Jr., of Sugar House ward, was given a reception last evening in the ward meetinghouse, with an entertainment and musical program preparatory to his going on a mission. Invitations have been issued for the formal opening of the new armory on Pleasant street, next Wednesday evening. The reception will begin at 8:30, and dancing at 9 o'clock. The daughters of the Pioneers held their regular meeting in the old Deseret News building at 3 p. m. today when Mrs. Susa Young Gates read a paper on "Who Gave You Your Name?" George E. Cope, who gives his occupation as a laborer, has filed a petition in bankruptcy in the federal court. He names his assets at \$204.50, of which \$156.50 is claimed to be exempt, and his liabilities at \$375. Mrs. E. P. Card, of 604 Spencer street, Portland, Or., writes the postmaster, inquiring as to the possible whereabouts of her 25-year-old son, Charles Carl, who was seen in this city two years ago, and of whom all trace has been lost. Several Salt Lake women are complaining of the ill effects on their systems of automobile riding. It is said that the constant jar of the engine produces effects similar to those produced by the motion of a locomotive, and all railroad men know what that would do. A handsome offer was made the other day to D. W. Jessup, a Columbia School of Mines student from this city, to go to Peru as an assayer and assistant mining engineer for the Holden interests; but Mr. Jessup felt obliged to decline as he did not wish to lose a year in his college course. A reward of \$25 has been offered by the officials of the state industrial school for the capture of Oswald Ferris, the lad who escaped from that institution several days ago. He was committed to the custody of W. Little, 364 South West Temple street, at 2 p. m. Sunday. Mrs. Williams was born in New Albany, Ind., of Quaker parents, and married Maj. Williams at Burlington, Ia., in 1872, removing with her husband to this city in 1878, where they have since resided. The father of the deceased, W. D. Stokes, was also a resident of Salt Lake at the time of his death, 11 years ago. Deceased leaves her husband and two children, Claude S. Williams and Mrs. F. W. Little.

Holiday Books Now Arriving Daily. YEAR ago, believing that the taste for reading and the love of good books was greatly on the increase in our community, we ventured the purchase of a large and varied stock of books, which represented the best and most popular of the products of the leading publishers of America.

Our experiment proved an astonishing success and our confidence in the reading public was not misplaced. Basing our judgment on the experience of last year, we began early to place orders with all the foremost publishers of the United States for a large stock of the latest and best books of the year. Our selections embrace a range much larger than ever before, including Art Books, Gift Books in exquisite bindings, Latest Popular Fiction, all the Standard Authors in single volumes and in sets, Juvenile books, Boys' books, Girls' books and toy picture books on linen and paper in endless variety. We are determined to make our book department lead anything of the kind in the country. It is not too early to buy now as we are opening new stock daily. A good book is always an appropriate gift.

MRS. WILLIAMS DEAD. Wife of Major A. L. Williams Called To The Other Side.

Mrs. Emma S. Williams, wife of Maj. A. L. Williams, died yesterday afternoon, after a brief illness, at the age of 56 years. The funeral will be held from the residence of W. Little, 364 South West Temple street, at 2 p. m. Sunday. Mrs. Williams was born in New Albany, Ind., of Quaker parents, and married Maj. Williams at Burlington, Ia., in 1872, removing with her husband to this city in 1878, where they have since resided. The father of the deceased, W. D. Stokes, was also a resident of Salt Lake at the time of his death, 11 years ago. Deceased leaves her husband and two children, Claude S. Williams and Mrs. F. W. Little.

In Time of Peace. In the first months of the Russo-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have anticipated the nation." The virtue of preparation has made history and given to us our greatest triumphs. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the cold of winter? A cold cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds. It should be kept at hand ready for instant use. For sale by all druggists.

CURE FOR CANCER. Formula That May Benefit Those Afflicted With Dread Disease.

George M. Peck, a Tahitian missionary, sends the following to the "News" in the hope that it may benefit those afflicted with cancer: A cure for cancer is a small herb known by the name of Sheep Sorrel. The latin name is Rumex Acetosella. It is known to grow in Iowa and no doubt in all other prairie states. It is found after harvest in the wheat and corn fields. The herb is about four or five inches high, is quite sour and therefore not very palatable. Making the cancer medicine is very easy and simple. Gather the sorrel late in the season when it has its full strength; pound it up and squeeze the juice out through a cloth; put the juice into a plate or any shallow dish, in the sun to evaporate. When it reaches the consistency of pomatum, or any other ordinary salve, it is ready for use, and can be kept in any jar or box. Don't use the roots, just gather the bushes above the ground. To apply it, simply spread a little on the cancer. It has a powerful effect on any other salve, kills and kills the roots of the cancer. Keep applying for a few days until the burning stops and then the cancer is dead. Capt. R. B. Doom, a native of Iowa, who is now living in Mangaria, Gamber islands, says he never knew that a cancer was dangerous until he became quite old. He thought all people had to do was to put some cancer cure on it and that was all there was to it. He also says he never knew his father, Dr. Doom, to lose a case of cancer. If the cancer is near the eye or any part of the body the salve is not dangerous.

A MACHINE FOR WOMEN should be the best obtainable. The Singer sewing-machine is acknowledged the lightest running, most durable and convenient of any. Look for the red S. 43 South Main St., Salt Lake City, Utah.

THE SIGN OF THE INDIAN. The Midland Route between Utah and the east is by far the most scenic route during any season of the year. The service is superior and equipment used is the perfection of modern car builders. Be sure and ask for your tickets via the Colorado Midland and get the best. Ticket office: 717 West Second South, Salt Lake City. Write us for rates and illustrated literature. L. H. Harding, general agent.
